Again, the Committee will issue a Supplemental Bid Bulletin to revise this form. And Alt. Vice-Chair reminded that Bidders should use the revised forms that the Committee will issue in a Bid Bulletin.

- Vice-Chair opened the floor for questions/clarifications. Details are below:

Bidders Queries	Committee's Reply
In the Bid Data Sheet, (Sec. 5.1) Bidder's must be authorized Local Manufacturers? how is it defined? Being a Local authorized manufacturer?	Alt. Vice-Chair: thank you for pointing that out, it should be "Eligible Local Manufacturers". We will issue a Bid Bulletin to clarify that matter ma'am.
For the Manufacturers, will they be evaluated in terms of the capacity?	Vice-Chair: Capacity of what? Can you please elaborate your question ma'am?
Will PITC or End-user evaluate the capacity of the company? to produce this project? Will you be conducting a visit, or in the machines?	Vice-Chair: Under the Law we are mandated to check all those, so please expect already of what is mandated in procuring entity on how to check the bidders who participated and those who will be awarded.

Goldbell: Regarding to the submission of sample, because the Philippine Army already have a Bidding for this item few months ago, within their post-qualification requirements they specified that its okay to submit previous post-qualification test result, so I'd like to ask if it is also okay to submit that document in lieu of the physical testing, instead of having to wait for 15 to 20 or 30 days, at least the document is already there.	
	Vice-Chair: Sir can you put that in writing? I do not want to answer you at the moment, but we will deliberate on that so can you just send that in writing sir?
Alright ma'am.	
Aside from that, also in the previous procurement in Philippine Army, they remove the rectification clause. So, what happen was you only submit it once and if you fail, you are automatically disqualified and this item has already been in procurement for the past 4 years already, so there is already no reason for rectification clause.	
	Please include that in your letter sir, so we will deliberate on that.
Also, why is the requirement for local manufacturer is required? Previously, you allowed foreign manufacturers, so its more of an open bid.	
	Vice-Chair: If you have read the Bayanihan to Recover as One Act, we are one with the government in supporting our Filipino people to give jobs to the Filipino. So, we are only opening this to local.
And the Delivery Period of 480 days, that is also into support the potential lower capacity to produce for the Local Manufacturers?	
	Yes, and also the logistics problem because of this pandemic we are aware of all the difficulties in the deliveries, so we made adjustments.
the domestic reference, how will it go with this project?	
	Vice-Chair: May I refer you to the guidelines issued by GPPB, please study that carefully first and if you have any questions please raise them in writing. They already issued a Guidelines on that.
Unet: I just want to ask about the local manufacturer, when you say local manufacturer it should be SEC Registered manufacturer?	
	Vice-Chair: are you discounting the DTI Registered Entities ma'am?
No, SEC and DTI manufacturer.	
	So, what is your question ma'am?

So, when you say local manufacturer, it has to be registered under SEC or DTI as a local manufacturer? Right?	
No, I am just clarifying.	Particularly as "Local Manufacturer"? you want it that specific?
	<p>We will be the one to check on that, whether their business allowed or registered or licensed to do business in connection with this particular procurement.</p> <p>But we cannot require at the moment to restrict it to Manufacturing. We will be the one to check it out whether you are a legitimate manufacturer.</p> <p>So, as it is, the requirement of the Law are SEC or DTI registration, Mayor's Permit, Tax Clearance and Audited annual Financial Statement and we will do the checking during verification, if you were able to manufacture this 230,903 sets.</p>
Jeje: Regarding to the Lowest Calculated Bid, can we use the post-qualification test result?	
	That is also the question of Goldbell, if you also have the same concern, please put it also in writing ma'am.
	Do not rely on Goldbell's question, if you have that concern please write to the Committee also on that matter.
	Anyway, you are not limited to today to ask/raise questions, you have plenty of time but please do not wait for the last day to ask/raise question so that we can reply to you right away. Because I know your decision to bid will depend on the answers to your questions, so please submit it right away.
	You need not submit your questions physically in the office, you may send it via EMAIL. Because as much as possible we limit the movements of people.
But we will purchase the Bidding Documents in the office?	
	<p>Vice-Chair: Yes, and please take note of the schedule that we have placed in the Bidding Documents.</p> <p>You may also pay for the cost of Bidding Documents thru Cash Payment or Cash Deposit, you may send a letter request for Bank Details to the BAC Secretariat.</p> <p>The complete set of Bidding Documents may be acquired by interested bidders from Monday to Friday between 9:00AM to 2:00PM.</p>
Yes ma'am.	Okay?
	Vice-Chair: We'll expect your letters, please submit it right away so that we can discuss or deliberate with Philippine Army counterparts.
	Alt. Vice-Chair: for those who have not yet bought Bidding Documents, please make sure that you buy Bidding Documents way ahead the Bidding Schedule, because the BAC Secretariat will not accept your bids if you are unpaid.
	And please raise your questions as soon as possible.
	Thank you very much for your participation for today's pre-bid conference, good luck.
